

## **Attention All Parents!**

### **Nutrition News you can use!!**

Our goal in DCSD Nutrition Services is to serve great food to your great kids! We have a program your children may know as “Seconds”....If your child wants an additional entrée and they have available funds in their lunch account, they may pay the additional price of \$1.50 for a second entrée serving and \$ .35 for milk.

**We have found that some parents do not desire to have their child participate in “Seconds” for either health or financial reasons.**

**IF YOU DO NOT WANT YOUR CHILD TO HAVE SECONDS, PLEASE FILL OUT THE FORM BELOW.**

**GREAT NEWS!!! Whether you decline or permit a second entrée for your child, we ALWAYS have fresh fruits and veggies available daily with entrée purchase. *With an entrée purchase*, your child may have seconds of fruit and vegetable selections for NO EXTRA CHARGE!**
